Unlocking Potential

3 September 2018

Professional Development and School to School Support 2018-19

Dear Headteacher,

I am delighted to inform you that since our designation as a Teaching School Alliance (TSA) by the National College for Teaching and Leadership in 2012, we have engaged with teachers, leaders, administrative and support staff and other colleagues from over 370 schools and establishments across all phases. Our sphere of influence has engaged schools across a wide geographic area encompassing Essex, Southend, Thurrock, Suffolk, Bedford, Havering, Hackney and Walthamstow to name a few.

Opportunity to become a member receiving multiple benefits

As more and more schools choose to work with us, we are delighted to be able to continue operating a Membership model. Membership schools are rewarded with a **10% reduction** on the majority of training provision opportunities, free access to networks, and some free training. There are many **other benefits** including priority access to Grant Funded opportunities. Please see further details found in the [Membership Brochure 'How to unlock potential... Together'](#) on our website along with a [Membership Form](#) and our [Professional Development Training and Provision](#) document.

*** To become a member please complete and return the **MEMBERSHIP FORM** ***

Non-members continue as normal

Schools not wishing to become members at this point can, of course, continue to engage in all aspects as normal, but without the benefits mentioned.

Givers and Receivers of support

We believe that all schools should be givers and receivers of support. We have a large team of colleagues from over 60 schools, across all phases, who contribute towards the design, delivery of provision, and support. We welcome any school wishing to engage in this aspect of the TSA and look forward to hearing from you.

Yours faithfully,

Mr T Ward
Director
