Professional Development and School to School Support 2020-21

Dear Headteacher,

Billericay Teaching School Alliance (TSA) was designated by the National College for Teaching and Leadership in 2012. Since designation, through developing collaborative and strategic partnerships, we have worked with over 440 schools across all phases and a range of organisations, engaging with teachers, leaders, administrative and support staff and colleagues to deliver the TSA agenda (ITT, CPLD and School to School Support).

We are proud of our achievements, realised through our partnerships, ensuring continual growth, strength and capacity. We have increased our Professional Development provision for 2020-21, including the number of colleagues and System Leaders (SLEs, LLEs, NLEs and NLGs) engaged in supporting school improvement. We are pleased to be an NQT Appropriate Body with a 99.8% success rate over the last 3 years. We are a Centre of Excellence for Leadership Development, a designated hub for the National Professional Qualifications (NPQ ML & SL) and a National Leader of Governance (NLG) hub, a core training centre for Specialist Leaders of Education (SLEs), a Designated OLEVI Centre (DOC), as well as a provider for Teacher Subject Specialist Training (TSST) in MFL on behalf of the DfE. We are pleased to announce that we have recently been designated as a regional provider with Best Practice Network. The above is testament to colleagues and schools that have worked with and supported the development of Billericay TSA. We aim to continue building on these successes during 2020-21, as we strive for excellence in partnership with all schools to enhance the life chances of all children.

Working together

We would like to invite you to join us and would be delighted to meet with you to explore how we can work strategically together to support your school improvement priorities.

Opportunity to become a member receiving multiple benefits

We offer a membership model offering a range of benefits including a **10% reduction** on the vast majority of our training provision, free access to networks, and some free training. There are many **other benefits** including priority access to Grant Funded projects and initiatives. Please see further details found in the [Membership Brochure 'How to unlock potential... Together'](#), on our website along with a [Membership Form](#), and our [Professional Development Training and Provision](#) document.

Unlocking Potential

Schools not wishing to become members at this point can, of course, continue to engage in all aspects, but without the benefits mentioned above.

Givers and Receivers of support

We believe that all schools should be givers and receivers of support. We have a large team of colleagues from over 60 schools, across all phases, who contribute towards the design, delivery of provision, and support. We welcome any school wishing to engage in this aspect of the TSA and look forward to hearing from you.

Yours faithfully,

Mr T Ward
Director
